FROM THE PRINCIPAL

I would like to warmly welcome you and your family to Birdwood Primary School. Our school works to provide a rich and rewarding education for our children from Reception to Year 7.

The partnership between the parents, staff and children is paramount to provide the best possible educational opportunities for students. By working in partnership we can best assist our children in their intellectual, physical, social and emotional development.

I look forward to meeting and talking with you during 2019.

Cassie Ackland

Principal

At Birdwood Primary School we strive to:

- Provide a challenging and engaging education for all students for their present time of life as well as for their future benefit.
- Provide a happy, secure and safe environment.
- Provide a creative and stimulating programme which encourages children and teachers to strive for excellence.
- Provide successful experiences for each child.
- Ensure that students gain an understanding and appreciation of different cultures and ethnic groups with emphasis being placed on respect, responsibility, resilience and challenge.
- Provide students with the qualities and attributes of a lifelong learner.

We believe:

- That the interaction between teacher and children is at the heart of schooling.
- Close cooperation between home and school is vital. Teachers complement parents but do not take their place.
- All children should be encouraged to problem solve, challenge themselves, demonstrate resilience and work to the best of their ability.

ABSENCES

If your child is absent for any reason, you **need** to notify the school either by **note, email, telephone** or **Skoolbag App**. Children who are absent without an explanation are reported to a DE attendance officer. If you are going on vacation please apply to the School Office for an exemption form to fill out.

APPOINTMENTS

During the year it is likely you will want to discuss issues with staff. Please contact teachers to make an appointment at a mutually convenient time and avoid talking with teachers during teaching time. Suitable times to meet with teachers are between 8.20 and 8.45am and 3.15 and 4.00pm. Teachers are not available Tuesday's after school because of Staff Meeting.

ASSEMBLIES

Assemblies are held on Friday of week 3, 6 & 9 at 2.20pm in the BPS Gym. Parents will be notified of assembly dates through the newsletter. Normally we hold 3 assemblies per term.

BEFORE SCHOOL SUPERVISION

The school yard is not supervised until 8.25am. We request students not arrive at school until that time as there is no teacher on yard duty to handle injuries or emergencies.

BOOK CLUB

The Ashton Scholastic Book Club is offered within the school. Children are able to choose books of interest and purchase them at reasonable prices. All orders are placed through the Front Office or online.

BUSES

Students who travel on the buses are supervised by a duty teacher between the end of school and when they board their bus. It is expected that students behave appropriately on the bus, sit on seats, and follow the rules of the school. Students who consistently misbehave on the bus can be suspended from riding on it and families will be responsible for transporting students to and from school.

On the days your child(ren) is not travelling on the bus, please inform the school in writing. This will be passed onto the teacher on after school bus duty.

Bus travel is reserved for students who meet the DfE guidelines and are attending their local school. If you do not meet these guidelines and choose to by-pass your local school, your child(ren) are **not** eligible to ride on a school bus. However, you can apply annually to the Birdwood High School for permission for you child(ren) to use the bus. The buses that service our school are managed through the Birdwood High School. We, at the Primary School, cannot approve bus travel.

For students who don't normally travel by bus or want to travel on a different bus - 2 days notice is required. It is unfair to expect other students who normally ride on the bus to shift or squash up to accommodate someone who is a casual bus rider.

CANTEEN

When children wish to order their lunch, they bring their paper bag, clearly marked with their own name and their teacher's name, plus their order written on the front. Wrap the money and place it inside the bag. Orders are placed by children in the grey class lunch bags. The lunch bags are taken to the canteen before 9.00am, and monitors collect the bags from the canteen and return them to the classes at 12.30pm.

A price list of items available will be sent to each family at the beginning of the year.

Lunch bags are available from your child's classroom or the front office.

Children are not permitted to leave the school grounds to buy their lunch.

CAR PARKING

For the safety of the children, parents are **not** to bring their cars into the school grounds to deliver or collect children. (By grounds, we mean **ALL AREAS** within the school boundary including the teacher's car park). Motorists are required to observe parking restrictions and speed limits.

CARE OF PROPERTY

We strongly encourage all personal property, including clothing, be clearly named. We suggest valuable toys and equipment are not brought to school, if so it is at the owner's risk.

CHEWING GUM

Chewing gum and bubble gum are not permitted at school.

CHILDREN STARTING SCHOOL

Children are not under compulsion to attend school until they are six years of age, however, once enrolled students should attend regularly (ie each day unless sick).

CHOIR

The Birdwood Primary School is part of the cluster of schools from the Torrens Valley that provides a choir to participate biannually in South Australian Public Schools Music Festival held in September. Their performance is in the Festival Theatre.

Mrs Jill Mundy is the coordinator.

We also have a Junior Choir and perform at the Hills Music Festival with other local schools at the end of second term as well as in the school.

CLASS COMPOSITION

Class composition changes each year depending on the number of children at each year level. Most classes will be made up of more than one year level. Junior Primary classes are based on around 26 students and years 3-7 on 30 students.

COMMUNICATION

Teachers regularly distribute class and school information. Our aim is to keep parents fully informed. Reception to Year 2 students, have a communication book, while Years 3-7 maintain a school diary. Please regularly check and sign your child's diary/book.

Diaries are used for

- notes to teachers
- absentee notes
- student comments
- homework instructions
- day to day reminders

Other forms of communication are our Facebook Page, Skoolbag App and email.

Early Years classes have a maroon Birdwood Primary School folder for notes.

If you have any queries or concerns, please feel free to contact the Principal who will return your call. Children are **not** permitted to use a telephone unless the matter is a **serious** one. Mobile phones are definitely discouraged, they are **not** to be turned on during school hours and are to be handed in to the front office in the morning and collected at the end of the day.

The general email address for the school is dl.0547.info@schools.sa.edu.au.

The school offers additional programs such as Stephanie Alexander Kitchen Garden Program, Read Up and Quicksmart Maths. One Plans are also used in classrooms to support student learning. i-Pads and laptops are used across the school.

CUSTODY

Sensitive situations can arise involving children whose parents are either divorced or separated. The Family Court is empowered to make orders concerning custody. Such orders need to be on file. Where there is doubt the Principal will abide by the guidelines of Crown Law. The interests of the child are our main concern at all times.

DENTAL CLINIC

The Dental Clinic is now operating from Modbury GPT clinic on 74258700, Mt Barker Primary School on 83910858 or Nuriootpa on 85621588.

DISMISSAL TIMES

EARLY DISMISSALS / LATE ARRIVALS

If your child(ren) arrive late (after 8:55am) they **need** to sign in the **Late Arrivals Book**. If you need to take your child(ren) out of school you will **need** to sign the **Early Dismissal Book**. If you return students from appointments you need to sign them back in to school in the Early Dismissal Book.

EARLY YEARS JUNIOR SCHOOL POLICY

Intakes

In South Australia, Public Primary Schools have one intake date, this means

- If your child turns 5 before the 1st of May they can start primary school the first day of term one of that year
- If your child turns 5 on or after 1st of May they can start primary school the first day of term one of the following year.

EMERGENCY (FIRE DRILL OR LOCK IN)

All personnel will be immediately evacuated to the school lawn (or inside), where a roll call will be made.

Lock-ins are practiced in case of an emergency. All students would be in their classrooms.

EXCURSIONS AND CAMPS

Excursions and camps are an important part of our curriculum and we encourage all students to participate in these activities. Class teachers will organise camps/excursions which support and enhance the topics being taught.

Year 7 Aquatics Camp

We have a Year 7 Aquatics camp each year and we go to Murraylands Aquatic Centre at Murray Bridge. A limited number of parents attend the camp and help with supervision and preparing meals. Plenty of warning is given to parents about the camp and they can pay by instalments.

Other Camps/ Sleepovers

Years 1 - 2 1 - 2 nights * optional - teacher's choice

Years 3 - 6 2 - 3 nights * optional - teacher's choice

Camps are held biannually, there is no set format for these small camps and no set venue.

Excursions

Permission is updated each year for students to leave the school grounds for excursions within walking distance of the school (ie to the National Motor Museum).

Teachers may take students further afield on day excursions to suitable venues to enhance their learning with topics being covered in the class rooms. This may necessitate hire of a bus or a request for parents to help with transport. Charges may apply for this. The school budget may include subsidy towards the cost of excursions / per class.

FARM DAY - Sunday 19th May, 2019

This is a very big event in our school. The success of this day depends on the involvement of parents, students and staff. The money raised at Farm Day helps to buy additional equipment for the school for student use. It is expected all families **will** be involved in Farm Day preparation and on the day.

FINANCE OFFICE

Money for different purposes should be placed in sealed envelopes labelled with the child's name and room number. **Consent forms need to be enclosed with the money.** Money is taken to the **Front Office/Finance Office** where a receipt is issued directly or sent home via internal envelopes.

The Front Office/Finance Office is open from 8.00am until 4.00pm Monday to Friday.

FIRST AID

All minor injuries and sickness are dealt with by the staff. If we feel a student is too ill to continue in class, we will contact the parent/caregiver or emergency contact by telephone. In emergencies where the family/emergency cannot be contacted the school will seek medical advice as necessary. In extreme cases we may be required to call for an ambulance. The ambulance service will send an account to caregivers. If the student is not a member of the Ambulance Service, or some other form of insurance, then a Statutory Declaration can be filled out requesting payment of the account by the Minister of Education.

GOVERNING COUNCIL

The Governing Council meets approximately eight times per year commencing at **7pm in the Staff Room** and usually finishes by **approximately 8.30pm.**

The Council follows a set agenda with reports from all committees. Member of Governing Council can put forward topics they feel should be covered at the meeting.

The Annual General Meeting (AGM) is held in Term 1 each year and all parents are invited to attend. Nominations are called and you may nominate yourself if you wish to be on the Governing Council. Members may be elected for only one year if they choose but the normal term is two years. There are positions of President, Vice President, Secretary and Treasurer and parents are elected to these positions annually. The Council is then divided into Committees and parents may choose which particular area interests them the most.

Each Committee has a Governing Council member and these Committees may vary and change as the needs of the school are met. Parents who are not on Council may be on Committees of the Governing Council.

The Finance Committee oversees budget expenditure on a monthly basis and provides additional information for Council on large financial outlays. It prepares draft budget proposals during November and invites budget submissions from interested groups operating within the school. It monitors bad debts, recommends school fee limits and ensures monies are expended within DECD guidelines.

The Out of School Hours Care Committee

This group is made up mainly of parents whose children use Out of School Hours Care.

The Farm Day Committee

This group manages Farm Day, making decisions about programme, Farm Day assets and the timing of this special day.

The Pedal Prix Committee

This committee operates Pedal Prix.

GRIEVANCE

It is inevitable that during the course of the year some students/families will have a grievance with another student, teacher or the school. In such cases it is important for the concern to be raised with the other person involved in an appropriate manner. When issues are raised in a proper way with the people involved, in most cases the concerns are resolved. If issues are not brought to the school, or are raised in an aggressive manner, it is unlikely the situation will be resolved. Our Staff are committed to working with students and parents to resolve conflicts and find positive solutions which support all school community members.

PARENTS GRIEVANCE PROCEDURE

Arrange a time to speak to the relevant teacher(s) about the problem

Let the teacher know what you consider to be the issue.

Allow a reasonable time frame for the issue to be addressed.

Not Resolved

It is not advisable to air grievances in front of students. Please make an appointment with the Teacher to discuss major grievances so issues can be discussed in privacy and given the appropriate time and consideration.

Let the teacher know beforehand what you consider to be the issue.

Allow a reasonable time for the issue to be addressed.

If the grievance is not addressed arrange a time to speak with the Principal.

If you are still unhappy, please arrange a time to discuss the issue with the Education Director for our Partnership Group, based at DfE District Office – Para Hills 8314 4025

HEALTH & COMMON ILLNESS

Identified Medical Conditions:

Students who suffer with allergic reactions, asthma and epilepsy are identified on the data base. Some are identified as high priority regarding treatment required in various situations. These students are provided with update forms regularly, to be completed by the medical practitioner and family. These forms are used to update data kept on file and make sure that the treatment provided by the school is correct.

Medication:

If a child is to take medication at school, a Medical Authority Form must be completed by a doctor/pharmacist and the medication must be in the original container with only a single dosage. This medication must be brought to the Front Office in the morning, where it will be stored for the day. Front Office personnel will supervise the taking of medication.

Illness:

Children who are unwell should not attend school. Please inform the school if your child will not be attending. If a student is too ill to continue in class, caregivers or emergency contact persons will be contacted to arrange to take him/her home.

For more information about exclusion times for children with common illnesses check out the SA Health website - <https://www.sahealth.sa.gov.au>

Vaccination:

It is recommended that students are vaccinated against measles, mumps, whooping cough and tetanus.

Head Lice:

Children are excluded until treatment with the prescribed lotion and shampoo. If you have treated your child/ren please advise the school office so other class families can be advised to check their child's head too. Head lice are very contagious and need to be checked for regularly, and the treatment must be completed.

HOMework

Teachers will set homework within the following guidelines, using the Homework Grid;

Years R - 4 could be expected to spend **no more** than 30 minutes
4 nights/week on homework.

Reading is encouraged for all students
Years 5 - 7 could be expected to spend **no more** than 45 minutes
4 nights/week on homework.

Teachers may give homework in various forms eg reading, completing work set in class, revising, editing, collection, organising material, interviewing or watching a special television programme. If the class has more than one teacher they will organise the management of homework.

INTERVIEWS AND REPORTING

It is important for parents and teachers to communicate regularly about students and their progress. Staff welcome both formal and informal meetings with parents. Written reports are provided twice a year at the end of term 2 & 4. Formal interviews are offered in term 1 and 3.

LEAVING SCHOOL GROUNDS

Once students arrive at school, they are not permitted to leave the grounds. If you need your child to leave school early or leave the grounds during the day, we require a written note stating student's name, date and reason for leaving the grounds. Parents/Caregivers will need to sign students out of school via the Front Office before they leave the school grounds.

LATE ARRIVALS / EARLY DISMISSALS

If your child(ren) arrive late they **need** to sign in the **Late Arrivals Book**. If you need to take your child(ren) out of school you will **need** to sign the **Early Dismissal Book**. If you return students from appointments you need to record the return time in the Early Dismissal Book.
