## FROM THE PRINCIPAL

I would like to warmly welcome you and your family to Birdwood Primary School. Our school works to provide a rich and rewarding education for our children from Reception to Year 6.

The partnership between the parents, staff and children is paramount to provide the best possible educational opportunities for students. By working in partnership we can best assist our children in their intellectual, physical, social and emotional development.

**Helen Dunlop**

Principal

### **At Birdwood Primary School we strive to:**

- Provide a challenging and engaging education for all students for their present time of life as well as for their future benefit.
- Provide a happy, secure and safe environment.
- Provide a creative and stimulating programme which encourages children and teachers to strive for excellence.
- Provide successful experiences for each child.
- Ensure that students gain an understanding and appreciation of different cultures and ethnic groups with emphasis being placed on respect, responsibility and resilience.
- Provide students with the qualities and attributes of a lifelong learner.

### **We believe:**

- That the interaction between teacher and children is at the heart of schooling.
- Close cooperation between home and school is vital. Teachers complement parents but do not take their place.
- All children should be encouraged to problem solve, challenge themselves, demonstrate resilience and work to the best of their ability.

## **ABSENCES**

If your child is absent for any reason, you **need** to notify the school either by **note, email to teachers, telephone, Skoolbag App or SeeSaw**. Children who are absent without an explanation are reported to a DfE attendance officer. If you are going on vacation, please fill in an exemption form.

## **APPOINTMENTS**

During the year, it is likely you will want to discuss issues with staff. Please contact teachers to make an appointment at a mutually convenient time and avoid talking with teachers during teaching time. Suitable times to meet with teachers are between 8.15 and 8.30am and 3.15 and 4.00pm. Teachers are not available Tuesday's after school because of Staff Meeting.

## **ASSEMBLIES**

Assemblies are held on Mondays of week 3,6 and 9 at 2.30pm in the BPS Gym. Parents will be notified of assembly dates through the newsletter.

## **BEFORE SCHOOL SUPERVISION**

The school yard is not supervised until 8.25am. We request students not arrive at school until that time as there is no teacher on yard duty to handle injuries or emergencies.

## **BOOK CLUB**

The Ashton Scholastic Book Club is offered within the school. Children are able to choose books of interest and purchase them at reasonable prices. All orders are placed through the front office or online.

## **BUSES**

Students who travel on the buses are supervised by a duty teacher between the end of school and when they board their bus. It is expected that students behave appropriately on the bus, sit on seats, and follow the rules of the school. Students who consistently misbehave on the bus can be suspended from riding on it and families will be responsible for transporting students to and from school.

On the days your child(ren) is not travelling on the bus, please inform the school in writing. This will be passed onto the teacher on after school bus duty.

Bus travel is reserved for students who meet the DfE guidelines and are attending their local school. If you do not meet these guidelines and choose to by-pass your local school, your child(ren) are **not** eligible to ride on a school bus. However, you can apply annually to the Birdwood High School for permission for your child(ren) to use the bus. The buses that service our school are managed through the Birdwood High School.

**We, at the Primary School, cannot approve bus travel.**

For students who don't normally travel by bus or want to travel on a different bus - 2 days notice is required. It is unfair to expect other students who normally ride on the bus to shift or squash up to accommodate someone who is a casual bus rider.

## **CANTEEN**

Qkr! mobile app. Orders to be placed before 8.30pm the night before  
Please contact the front office for information.

**Children are not permitted to leave the school grounds to buy their lunch.**

## **CAR PARKING**

For the safety of the children, parents are **not** to bring their cars into the school grounds to deliver or collect children. (By grounds, we mean **ALL AREAS** within the school boundary including the teacher's car park). Motorists are required to observe parking restrictions and speed limits.

## **CARE OF PROPERTY**

We strongly encourage all personal property, including clothing, be clearly named. We suggest valuable toys and equipment are not brought to school, if so it is at the owner's risk.

## **CHEWING GUM**

Chewing gum and bubble gum are not permitted at school.

## **CHILDREN STARTING SCHOOL**

Children can begin their first year of school if they turn 5 prior to May 1<sup>st</sup>. Children are not under compulsion to attend school until they are six years of age, however, once enrolled students should attend regularly (ie each day unless sick).

## **CHOIR**

Birdwood Primary School provide a choir to participate biannually in South Australian Public Schools Music Festival held in September. Their performance is in the Festival Theatre. Mrs Jodi Foster is the coordinator.

We have a Choir and perform at the Hills Music Festival with other local schools at the end of second term as well as in the school.

## **CLASS COMPOSITION**

Class composition changes each year depending on the number of children at each year level. Most classes will be made up of two year levels. Junior Primary classes are based on around 26 students and years 3-6 on 30 students.

## **COMMUNICATION**

If you have any queries or concerns, please feel free to contact the Principal who will return your call. Children are **not** permitted to use a telephone unless the matter is a **serious** one. Mobile phones are definitely discouraged, they are **not** to be turned on during school hours and are to be handed in to the front office or class teacher in the morning and collected at the end of the day.

The general email address for the school is [dl.0547.info@schools.sa.edu.au](mailto:dl.0547.info@schools.sa.edu.au).

## CUSTODY

Sensitive situations can arise involving children whose parents are either divorced or separated. The Family Court is empowered to make orders concerning custody. Such orders need to be on file. Where there is doubt, the Principal will abide by the guidelines of Crown Law. The interests of the child are our main concern at all times.

## EARLY YEARS JUNIOR SCHOOL POLICY

### Intakes

In South Australia, Public Primary Schools have one intake date, this means

- If your child turns 5 before the 1<sup>st</sup> of May they can start primary school the first day of term one of that year
- If your child turns 5 on or after 1<sup>st</sup> of May they can start primary school the first day of term one of the following year.

## EMERGENCY (FIRE DRILL OR LOCK IN)

All personnel will be immediately evacuated to the school lawn (or inside), where a roll call will be made.

Lock-ins are practiced in case of an emergency. All students would be in their classrooms.

## EXCURSIONS AND CAMPS

Excursions and camps are an important part of our curriculum and we encourage all students to participate in these activities. Class teachers will organise camps/excursions which support and enhance the topics being taught.

### Year 6 Aquatics Camp

We have a Year 6 Aquatics camp each year and we go to Murraylands Aquatic Centre at Murray Bridge. A limited number of parents attend the camp and help with supervision and preparing meals. Plenty of warning is given to parents about the camp and they can pay by instalments.

### Other Camps/ Sleepovers

Years 1 - 2            1 - 2 nights            \* optional - teacher's choice

Years 3 - 6            1 - 3 nights            \* optional - teacher's choice

Camps are held biannually, there is no set format for these small camps and no set venue.

## Excursions

Permission forms are filled in along with the enrolment forms. This allows students to leave the school grounds for excursions within walking distance of the school (ie to the National Motor Museum).

Teachers may take students further afield on day excursions to suitable venues to enhance their learning with topics being covered in the class rooms. This may necessitate hire of a bus or a request for parents to help with transport. Charges may apply for this.

## **FARM DAY – Sunday (TBA) in May, 2024**

This is a very big event in our school. The success of this day depends on the involvement of parents, students and staff. The money raised at Farm Day helps to buy additional equipment for the school for student use. It is expected all families **will** be involved in Farm Day preparation and on the day.

## **FINANCE OFFICE**

Money for different purposes should be placed in sealed envelopes labelled with the child's name. **Consent forms need to be enclosed with the money.** Money is taken to the **Front Office** where a receipt is issued directly or sent home.

**The Front Office/Finance Office is open from 8.00am until 4.00pm Monday to Friday.**

## **FIRST AID**

All minor injuries and sickness are dealt with by the staff. If we feel a student is too ill to continue in class, we will contact the parent/caregiver or emergency contact by telephone. In emergencies where the family/emergency cannot be contacted the school will seek medical advice as necessary. In extreme cases, we may be required to call for an ambulance. The ambulance service will send an account to caregivers. If the student is not a member of the Ambulance Service, or some other form of insurance, then a Statutory Declaration can be filled out requesting payment of the account by the Minister of Education.

## **GOVERNING COUNCIL**

The *Governing Council* meets approximately eight times per year commencing at **7pm on Tuesdays weeks 3 and 7 in person and Via Teams** and usually finishes by **approximately 8.30pm.**

The Council follows a set agenda with reports from all committees. Member of *Governing Council* can put forward topics they feel should be covered at the meeting.

**The Annual General Meeting (AGM) is held in Term 1** each year and all parents are invited to attend. Nominations are called and you may nominate yourself if you wish to be on the *Governing Council*. Members may be elected for only one year if they choose but the normal term is two years. There are positions of President, Vice President, Secretary and Treasurer and parents are elected to these positions annually. The Council is then divided into Committees and parents may choose which particular area interests them the most.

Each Committee has a *Governing Council* member and these Committees may vary and change as the needs of the school are met. Parents who are not on Council may be on Committees of the *Governing Council*.

**The Finance Committee** oversees budget expenditure on a monthly basis and provides additional information for Council on large financial outlays. It prepares draft budget proposals during November and invites budget submissions from interested groups operating within the school. It monitors bad debts, recommends school fee limits and ensures monies are expended within DfE guidelines.

#### ***The Out of School Hours Care Committee***

This group is made up mainly of parents whose children use Out of School Hours Care.

#### **The Farm Day Committee**

This group manages Farm Day, making decisions about programme, Farm Day assets and the timing of this special day.

#### **PARENTS/FAMILIES with grievance will:**

- Speak only to staff, do not approach families or other children.
- Talk to the teacher/staff member about the problem at a negotiated time.
- Seek to resolve it in a way that respects the needs of those involved.
- If a grievance is not resolved - arrange a time to speak to one of the leadership team.
- If it is still unresolved discuss the issue with the Education Director.

If it is still unresolved contact the Parent Complaint Unit on 1800 677 435

### **HEALTH & COMMON ILLNESS**

#### **Identified Medical Conditions:**

Students who suffer with allergic reactions, asthma and epilepsy are identified on the data base. Some are identified as high priority regarding treatment required in various situations. These students are provided with update forms regularly, to be completed by the medical practitioner and family. These forms are used to update data kept on file and make sure that the treatment provided by the school is correct.

#### **Medication:**

If a child is to take medication at school, a Medical Authority Form must be completed by a doctor/pharmacist and the medication must be in the original container with only a single dosage. This medication must be brought to the Front Office in the morning, where it will be stored for the day. Front Office personnel will supervise the taking of medication.

#### **Illness:**

**Children who are unwell should not attend school.** Please inform the school if your child will not be attending. If a student is too ill to continue in class, caregivers or emergency contact persons will be contacted to arrange to take him/her home.

**For more information about exclusion times for children with common illnesses check out the SA Health website - <https://www.sahealth.sa.gov.au>**

### Vaccination:

It is recommended that students are vaccinated against measles, mumps, whooping cough, tetanus and COVID 19.

### Head Lice:

Children are excluded until treatment with the prescribed lotion and shampoo. If you have treated your child/ren please advise the school office so other class families can be advised to check their child's head too. Head lice are very contagious and need to be checked for regularly, and the treatment must be completed.

### **HOMEWORK**

Teachers will set homework within the following guidelines, using the Homework Grid;

**Years R - 4** could be expected to spend **no more** than 30 minutes  
4 nights/week on homework.

**Years 5 - 6** could be expected to spend **no more** than 45 minutes  
4 nights/week on homework.

Teachers may give homework in various forms eg reading, completing work set in class, revising, editing, collection, organising material, interviewing or watching a special television programme. If the class has more than one teacher they will organise the management of homework.

### **INTERVIEWS AND REPORTING**

It is important for parents and teachers to communicate regularly about students and their progress. Staff welcome both formal and informal meetings with parents. Written reports are provided twice a year at the end of term 2 & 4. Formal interviews are offered in term 1 and 3.

### **LEAVING SCHOOL GROUNDS**

Once students arrive at school, they are not permitted to leave the grounds. If you need your child to leave school early or leave the grounds during the day, we require a written note stating student's name, date and reason for leaving the grounds. Parents/Caregivers will need to sign students out of school via the Front Office before they leave the school grounds.

### **LOST PROPERTY**

The Program delivers pleasurable food education to students in year R-6. Students grow, harvest, prepare and share delicious fresh food, working in a beautiful, productive vegetable garden and a home-style kitchen and dining space. Specialist staff teach these classes, playing an integral role in hands-on learning for the children, while the classroom teacher-who is always present-plays the key role of integrating the Program across the school curriculum. ### **SWIMMING**

Swimming is held in term 4 at Woodside Swimming centre.

### **Birdwood Primary School Uniform Policy**

Our school dress code is the documented standards of what's acceptable in relation to the clothing worn by students while attending our school. The dress code will describe what the 'school uniform' is for Birdwood Primary School.

The dress code adopted by our school, regardless of a student's gender identity, is flexible and allows the right of choice and gender expression. It includes the choice of clothing that considers the following:

- freedom of movement
- level of comfort
- safety
- climatic conditions
- other special circumstances (for example pregnancy or disability)

It is our belief that a dress code plays an important role in:

- promoting a positive image of the school
- creating a sense of belonging among students and the community
- supporting student safety
- ease of identification when participating in out of school activities
- making sure students are dressed appropriately for all school activities

## **DRESS CODE**
